

**CANDIDATE STATEMENT
CITY COUNCIL -6 DISTRICT.**

Date: 12/4/2023

My name is **Cristino Pinto**

I am running to become the next City Council of Long Beach 6 District. I'm racing for more inclusion and inequality due to high poverty in the district.

I believe it can change for better opportunities and more inclusion.

Here is what I intend to do for our District, as my focus: (Inclusion & Inequality)

INCLUSION:

Your voice can be heard by listening to your concerns, questions, suggestions and ideas by working together as a community to understand the needs and create movement of values and ideas for solutions. To be included in the mechanism of community development in businesses, housing, and jobs for well being by having town hall meetings.

INEQUALITY:

My intention is to working with you and for you together fighting for better distribution of resources and opportunities. Basic rights, dignity, opportunities and investment in the community public service.

More security and safety in the community despite the person's national origin, race, color, religion, disability, sex, and familial status.

This is about you and your family.

I'm asking for your vote.

Inclusion & inequality for all.
